Support our outstanding business women in Carine

Wednesday 5 May 2009

Outstanding business women in Carine have the opportunity to nominate and enter the 2021 Telstra Business Women's Awards which are now open.

Carine MLA Tony Krsticevic said there were many successful local business women in Carine who deserved the State and national recognition which finalists and winners have enjoyed since the Awards began 16 years ago.

"The Telstra Business Women's Awards are a great opportunity to highlight and celebrate the roles and achievements of so many talented and inspiring business women in our local community," Mr Krsticevic said.

"I am certain that everyone in Carine works with or knows of outstanding women who might be local business owners, managers or employees in the corporate, Government and not-for-profit sectors.

There are also many local entrepreneurs and young business women who deserve our support through these Awards and I encourage the people of Carine to get involved through the nominations and awards.

"Past entrants say that even participating in the awards has proved beneficial as it allows them to take stock, review their personal objectives and engage with other business women.

Mr Krsticevic said entries for the 2010 Telstra Business Women's Awards close on 21 June and the Western Australian winners will be named in October.

To nominate yourself or other business women, go to www.telstrabusinesswomensawards.com or call 1800 817 536.
