## **Sorrento reign again!**

Wednesday 28 April 2010

On Sunday 7 March, Sorrento Football Club met head-to-head with the Hamersley Rovers. A fairly warm day but both teams played very well in a high quality match.

Spectating at Percy Doyle Reserve, Tony was there to cheer both teams on and to present his donation of the inaugural trophy to Sorrento who took out the match 3-0.

“It was a pleasure to watch such a high quality match which was played in very good spirits,” Mr Krsticevic said.

“Players on both sides displayed a high caliber of skills and professionalism on what was a hot day.

“All three goals were well executed and created some tense moments for all spectators.”

Sorrento’s Secretary Kerry Slater spoke of the great relationship that has existed for over 10 years between the two clubs.

“The victory of the Carine Cup is not the important issue - the friendship and understanding between the two clubs is paramount,” Mr Slater said.

“With Tony donating a trophy, it enhances the opportunity for the two clubs to compete on friendly terms and for both sets of supporters to talk up their chances for next year.”

The winner’s trophy will be on display at the respective club rooms until the teams meet again next year.

The match was played in great spirits and players joined with spectators afterwards for drinks and nibbles in the clubhouse.

These two clubs have a long standing friendship but their rivalry will increase next year with the introduction of a ladies match on Carine Cup day, as Sorrento have now formed a women’s team that incidentally will compete in the same Division as their one year older opponents.
